Dear Temple Baptist Church Family,

I want to thank everyone for their prayers and many expressions of care concerning my recent fall. Your calls, cards were a great source of comfort and your prayers touched both Manly and I deeply. It is times like these that our church really shows the true nature of God's love.

Though I sustained a couple of compression fractures and am having to cope with a fair amount of pain, I was very blessed, as I didn't break anything.

I would ask you to please continue to keep both Manly and myself in your prayers. I still have some distance to go to achieve full recovery and he has been and continues to be such a supportive husband. With grateful appreciation, your sister in Christ, **Mary Davis**
