**Steve A. Spangler (bio):** Since the day after graduation, Steve has served God through local churches. As a Music Minister, Senior Pastor & Consultant, he has worked with a cross-section of God's people in a variety of ways. He has known the highs & lows of ministry & the ultimate joy of "walking by faith." After 20 plus years in local church ministry, Steve began his consulting with churches across the country in visioning & stewardship. After a short stint as a college administrator, Steve has continued his consulting from his home base in Tazewell, VA. He is also a much sought after speaker & interim pastor. He published his first book, "Simply Jesus-A fresh look at the Christmas Story," a couple of years ago & is working now on his next book tentatively titled, "Of People and Place." Steve was educated at Bluefield College, Old Dominion University, Southeastern Seminary & Trinity Theological Seminary. He & his wife, Ruth, have been married for over 36 years. A very accomplished musician, Ruth graduated from Radford University with a degree in music education with an emphasis in both voice & piano. They are the proud parents of a son & daughter and very proud grandparents of Gracie & Jackson.
