FEB/MAR 2009

Baptist Women's Day
Sunday, February 8, 2009

Ladies, meet in the choir room after Sunday school for rehearsal. You will then sing at the Morning Worship Service. There are no age restrictions, so ladies... let's help fill the choir loft!

We probably think of romance when Valentine's Day comes. That's fine, but there's more to the story than that.

St. Valentine was a Christian priest and martyr who lived about 270 A.D. The Roman emperor at the time was Claudius II. Claudius had been a successful general. He would not allow his soldiers to marry, because he wanted to make sure they could go to battle quickly. He thought family ties would make the men reluctant to leave home. Because Valentine promoted marriage and family life, he was jailed and later convicted of going against the orders of the emperor. He was martyred on February 14th, the day we remember him and our loved ones.

While he was in jail, the jailer's daughter befriended him. He wrote her a letter of appreciation and signed it "Your Valentine." The tradition of exchanging valentines grew out of that heartfelt gesture.

What are you doing on Sunday evenings?

We at TBC seek to get the most out of our two hours on Sunday mornings, but what we have seen in effective discipleship requires it's own unique setting. We have transformed our activities on Sunday evenings at the CAC to be more intentional in discipleship. We are seeing God create a more intimate time where we can share and grow in areas that time has not permitted before. And we are seeking to expand our discipleship to some exciting new ministries especially designed for our children.

Give yourself a treat, join with fellow disciples on Sunday evenings at 6:00 p.m. It will not be a repeat of Sunday morning, but hopefully an expansion. Many of the ministries that start on Sunday morning will see fulfillment on Sunday evenings in discipleship.

See you Sunday evening,

EC

When you walk out of church on Sunday mornings, do you feel as if there are things left undone, conversations left incomplete or some tasks with just not enough time to fulfill? Does our Worship and Bible study on Sunday mornings

evoke the desire to fellowship on a substantial level but the two hour time frame just will not allow it?

Does Bible study raise issues that are not the main point of the lesson, nevertheless at the heart of some very important issues that need addressing but not enough time?
