Dear Temple Baptist Church,

My husband and I would like to thank you for helping us out when we desperately needed a place to get married. Our own church would not allow us to get married because we both had been divorced. My co-worker's husband is an ordained minister and agreed to marry us so we were planning on having an outdoor wedding. Due to several days of rain we were in a terrible situation.

I called your church and was treated so graciously and told that we could use your Chapel. Since we had no decorations or flowers the lady I spoke with let us use two beautiful candle holders. Needless to say, it made a great day for us. You will never know how much this meant to us...thank you so very much. Temple will always hold a very special place in the heart of my husband and I. God bless you for your help, your kindness and for showing the love of God to those outside of your church. I have enclosed a small token of our appreciation. Thank you again!

Steve and Danielle Permenter
